LUMEN 135lm/W

LUMEN 135lm/W

Einfacher Austausch

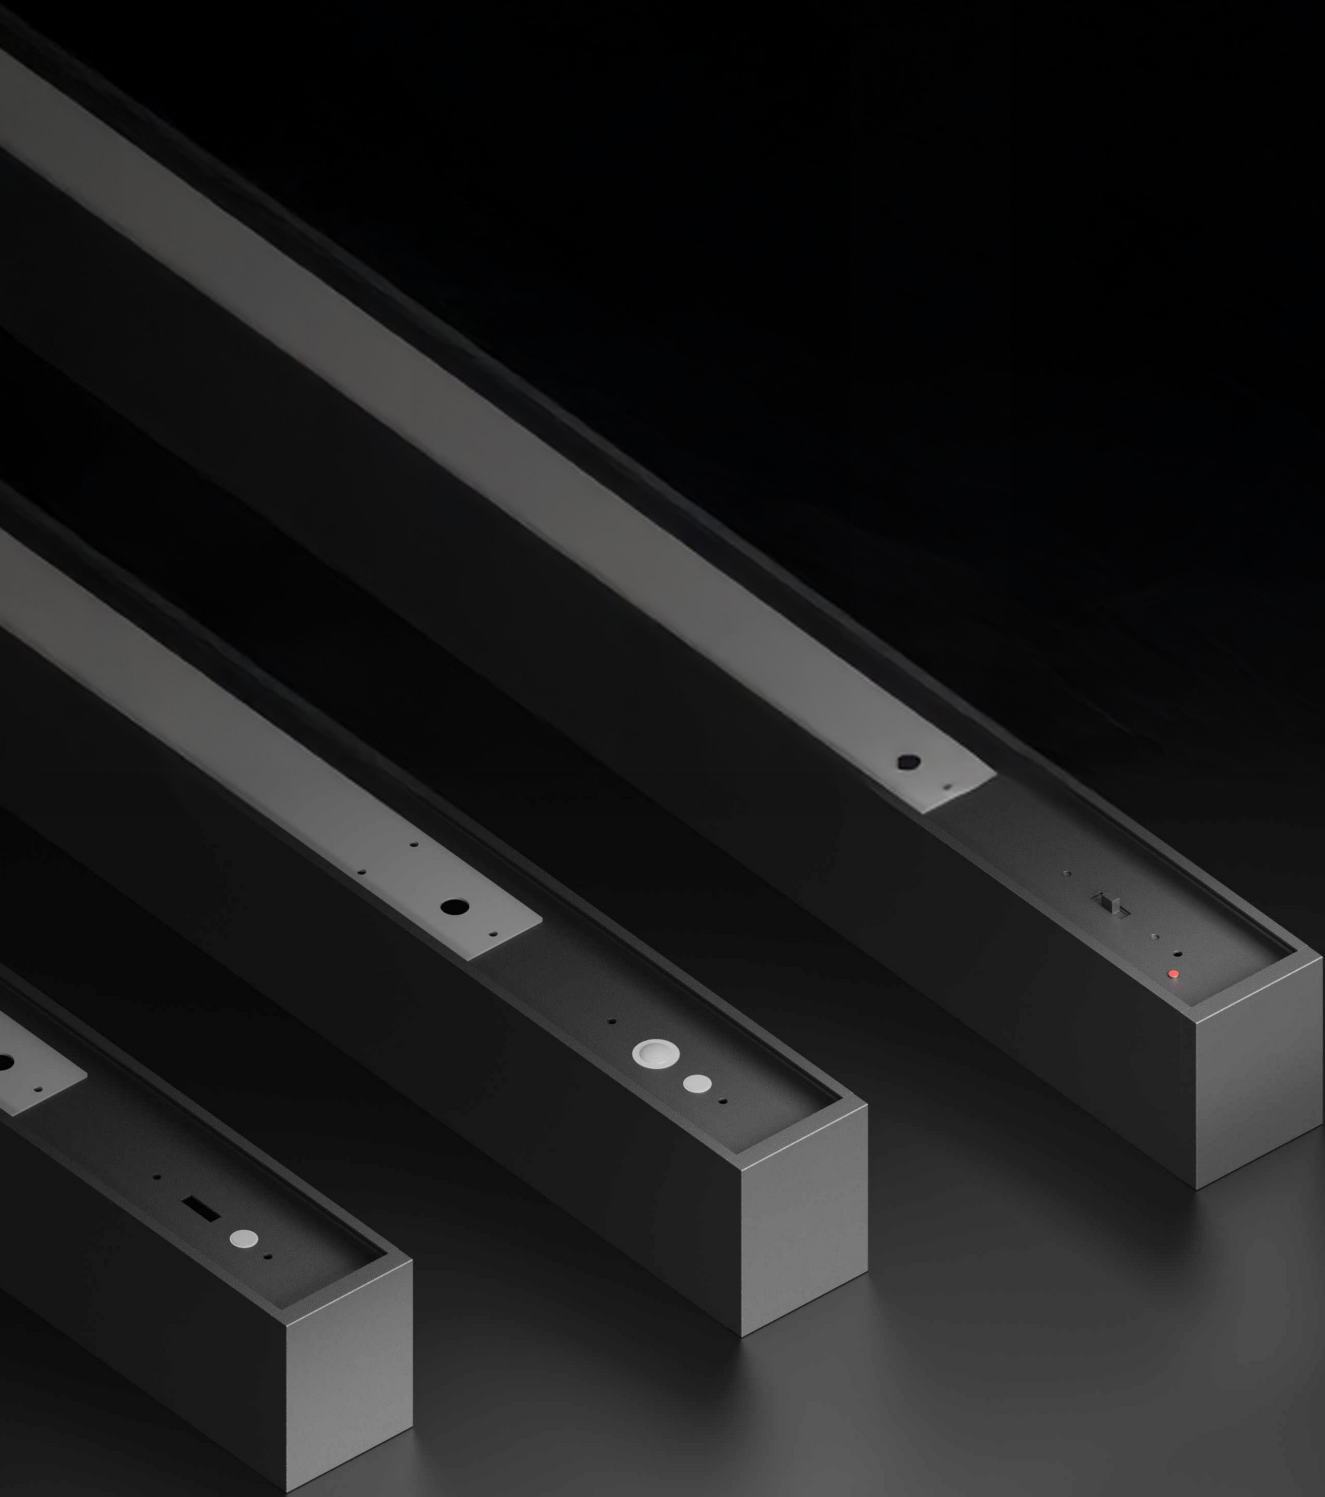

Bis zu 6 austauschbare Abdeckungen.

Geeignet für verschiedene Anforderungen an Entblendung und Lichtausbeute.

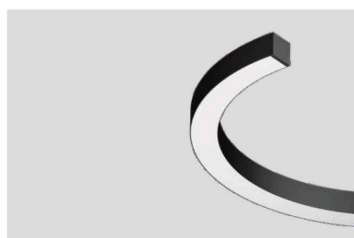

Stecksystem

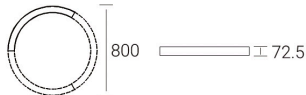

Dank der innovativen Verbindungstechnik lässt sich der Stromanschluss in nur einer Sekunde werkzeuglos herstellen – das steigert die Installationsgeschwindigkeit erheblich. Ob tägliche Anpassungen oder komplette Szenenänderungen: Die Elemente können wie Bauklötze flexibel kombiniert werden, sodass Ihre Beleuchtung jederzeit Ihrem kreativen

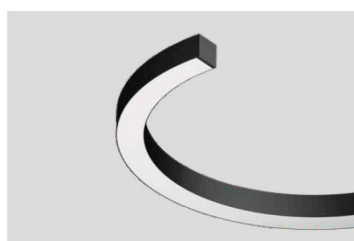

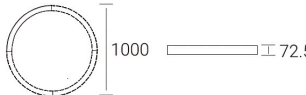

Steuerung

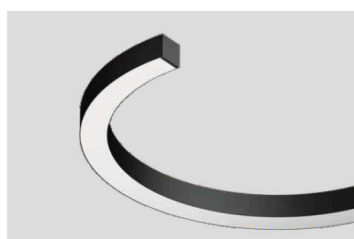

Ob klassische Ansteuerung, Casambi, Gestensteuerung, DALI oder einfacher Schalter – die mareo Serie passt sich flexibel jedem Projekt an.
